Code1st | Pure-Play Risk Adjustment Delivery Partner

Who We Are

Code1st is a focused Risk Adjustment delivery partner supporting aggregators and MA/ACA plans with scalable, high-quality execution.

We specialize exclusively in Risk Adjustment delivery—allowing our partners to scale volume without compromising QA, turnaround time, or compliance.

Who We Serve

- Risk Adjustment aggregators & platforms
 - Mid-size and growing MA / ACA plans
 - Organizations preparing for audit cycles or rapid volume growth
-

What We Deliver

- **Prospective Coding**
- **Retrospective Coding**
- **QA & Audit Support**
- **Overflow & Peak Capacity Management**

All services are delivered with SLA ownership, defined QA thresholds, and predictable turnaround.

How We're Different

Execution over headcount. Outcomes over optics.

- Delivery pod model (coders + QA + lead)
 - SLA-driven engagement (TAT, accuracy, throughput)
 - Leadership-led delivery oversight
 - Designed to plug into existing workflows
-

Engagement Models

- Per chart / per member
- Monthly capacity blocks
- Pilot → scale model (low-risk onboarding)

Call to Action

If you're planning to scale RA delivery or stabilize QA this year, we're happy to start a conversation.
